## The Dean Writes:

Dear Parishioners,

As I write this letter the snowdrops in my garden are in bloom and the green shoots of daffodils, tulips and crocuses are bursting through the ground. A sure sign that spring is not far away. Signs of new life are all around us. Also, the season of Lent has just begun. The modern word "Lent" comes from the Old English word "lencten" meaning – springtime. It is right that Lent comes with the start of spring because Lent culminates with Easter when we celebrate the ultimate example of new life - the resurrection of Jesus.

Lent is a time of preparation as we look forward to Easter and is often a time when people 'give things up', often drink, chocolate or cakes. The idea of giving something up for Lent comes from the Christian tradition of Lent being a time of fasting as we remember Jesus fasting in the wilderness for 40 days as well as part of our preparation for Easter. We generally think of Lent as 40 days, but the period from Ash Wednesday to Holy Saturday is actually 46 days. This is because there are 6 Sundays during that period and in the early Church it was felt to be completely inappropriate to fast on a Sunday as Sunday is the day when we celebrate Jesus' resurrection. This means that if you are giving up something for Lent, you get a break each Sunday as the Sundays between Ash Wednesday and Easter Sunday are not really part of Lent! Enjoy!

However, I do not really want to think about giving things up for Lent,

personally I do not. Although if you decide to do this you have my admiration and best wishes. This year I wanted to encourage you to think about doing something positive in Lent. How about taking a copy of our Lenten booklet on the Beatitudes and follow the daily readings, try and attend the mid-week services on a Wednesday night at 7.30pm or the Thursday Holy Communion at 11.00am, and then make every effort to be regular every Sunday?

As well as that you might decide to make a point of visiting or ringing someone who you would not normally see, or you have not spoken to for a while. Taking this on in a thoughtful way could make a huge difference to folks who are lonely. Let us not grow tired of doing good in active charity towards others, giving joyfully and generously, especially to those in most need.

During this Lent, may we practise charity by giving joyfully (2 Cor 9:7). God who "supplies seed to the sower and bread for food" (2 Cor 9:10) enables each of us not only to have food to eat, but also to be generous in doing good to others. Lent is a favourable time to seek out – and not to avoid – those in need; to reach out – and not to ignore – those who need a sympathetic ear and a good word; to visit – and not to abandon – those who are lonely. Let us put into practise our call to do good to all, and take time to love the poor and needy, those abandoned and rejected, those discriminated against and marginalised! Whatever you decide to do or not do during Lent, I hope it is a useful time for you as you think about your relationship with God and prepare for Easter.

Yours very sincerely,

## Service for Week of Prayer for Christian Unity held in Enniskillen

A Service for the Week of Prayer for Christian Unity took place in the Cathedral Church of St Macartin, Enniskillen, on Wednesday 18th January.

Among those taking part were the Bishop of Clogher, the Right Rev Dr Ian Ellis; the Dean of Clogher, the Very Rev Canon Kenneth Hall; Monsignor Peter O'Reilly of St Michael's Roman Catholic Church and the Rev Lorna Dreading of Enniskillen Methodist Church.

Also taking part were members of Fermanagh Churches Forum, which represents the main churches in the county.

The preacher was the Rt Rev Trevor Williams, former Bishop of Limerick and Killaloe, who, in his address, said he admired the work of the churches in Enniskillen for Christian unity so clearly demonstrated by the symbolism of Her Majesty The Queen's visit to the town in 2012.

He said they needed those symbolic aspects because of the world of division with people hearing daily of the differences of race, culture, politics and those of different educational social backgrounds. These, he said, often became hostile barriers resulting in violence and bloodshed.

He reminded the congregation that the service was written by the churches of Minneapolis in the US. In May 2020, George Floyd was murdered by a police officer in the US city because of personal and also of institutional racism against Afro Americans. The churches of Minneapolis contributed to the service content "to explore how the work of Christian unity can contribute to the promotion of racial justice across all levels of society."

One of the readings selected for the service was well known, the parable of the Good Samaritan in St Luke's Gospel set on the road from Jerusalem to Jericho.

He said everyone should treat each other as Christians and learn from each other. This is one of the world's greatest needs. Everyone will learn from those who are different.

He went on to discuss how to promote unity between different people. Visiting was one way of promoting unity and hospitality, another was

"Always think; who is not in the room? The work of Christian unity is not an

event or a destination, it is a way of living," said Bishop Williams. He appealed to people to find ways in their lives to work for Christian unity and that by doing so they were not only loving their neighbours as themselves but witnessing to a broken, divided and difficult world of a new way, offering a new possibility, a new hope and a new peace. People needed to hear that, he added.

Prayers were offered by representatives of Enniskillen post primary schools under the themes of community relations, victims of violence, the sick, families, economic uncertainty, refugees and endangered people and endangered planet.

The service ended with the singing of "Be thou my vision, O Lord of my heart."

## Donation to Air Ambulance

Local Air Ambulance volunteers were in attendance at the 11.00am service on Sunday 22nd January when a cheque for £6,000 was presented to George Irvine, representing Air Ambulance, being one third of the money raised by the Dean at his pre Christmas 'Sit Out.' George gave a very interesting talk on the work of the Air Ambulance and how they rely entirely on sup-

port from the public and local businesses to fund this vital work.

The previous day, the Dean and local volunteers visited the base in Lisburn where they saw and heard how the Air Ambulance, who work in partnership with the Northern Ireland Ambulance Service, provide Helicopter Emergency support in serious, life threatening situations in Northern Ireland. They can reach anywhere in the province within 25 minutes providing critical care until the patient reaches hospital. If a pa-

tient reaches hospital within 60 minutes (the golden hour) after their injury their chances of surviving are significantly increased. The service costs approximately £5,500 per day to run. The crew consists of the pilot, a doctor and a paramedic and operates 12 hours per day, 365 days of the year.

## Renaissance Chamber Choir Concert Music of Stillness

We were very pleased to welcome the Renaissance Chamber Choir, from Belfast, to the Cathedral on Friday 3rd February. Simon Neill-O'Brien BEM, an acclaimed musician, is the Artistic Director and Conductor. Fifteen year old Senan Sheridan, a classical pianist, was the accompanist. Viscount and Viscountess Brookeborough, Lord and Lady Anthony and local Choral Societies were among those in attendance.

## Mothers' Union

Pictured left are some members of St Macartin's Mothers' Union along with the Diocesan President, Mrs Heather Ellis following a service at which the Dean enrolled twelve new members and welcomed five more members who have rejoined. This brings the total membership now above sixty. Included in the picture are the Bishop and the Churchwardens.

Below are photographs from the service.

## MOTHERS' UNION – WHAT'S IT ALL ABOUT?

### ***Reaching out in love and service***

Mothers' Union is an international Christian membership charity that aims to demonstrate the Christian faith in action through the transformation of communities worldwide. We are working with people of all faiths and none in 83 countries to promote stable marriage, family life and the protection of children through praying, enabling and campaigning.

### ***Our aims and objectives are:***

To promote and support married life

To encourage parents in their role to develop the faith of their children

To maintain a worldwide fellowship of Christians united in prayer, worship and service

To promote conditions in society favourable to stable family life and the protection of children

To help those whose family life has met with adversity

### ***Our vision***

Our vision is of a world where God's love is shown through loving, respectful and flourishing relationships. This is not a vague hope, but a goal we actively pursue by praying, campaigning and enabling.

### ***Our values***

Mothers' Union is a Christian mission organisation working with people of all faiths and none. Mothers' Union is firmly rooted in a voluntary ethos centred on mutual respect and collaboration. Our governance, leadership and programmes are undertaken and driven by members within their own communities worldwide.

*"Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind; and love your neighbour as yourself."* Luke 10:27

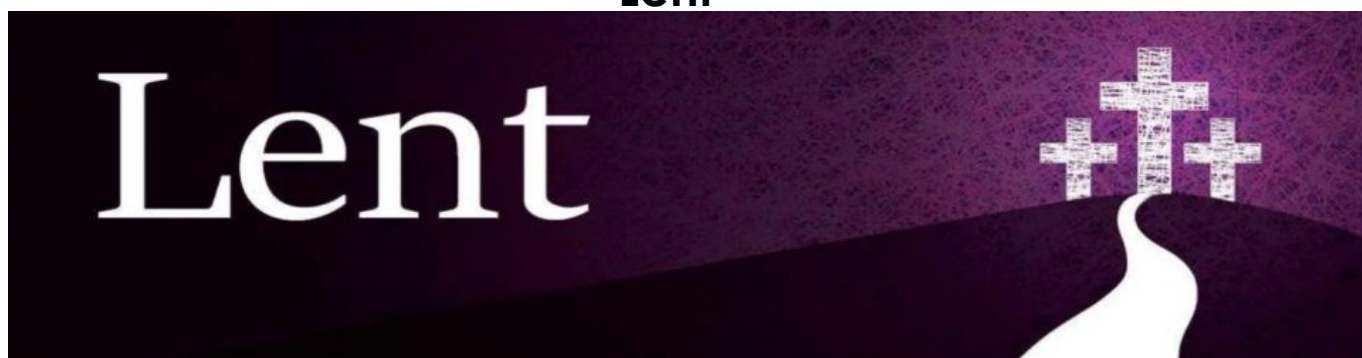

### ***Our membership***

Our members are not all mothers, or even all women. They are single, married, parents, grandparents, or young adults just beginning to express their social conscience. Mothers' Union provides, for all four million members, a network through which they can serve Christ in their own community - through prayer, financial support and actively working at the grassroots level in programmes that meet local needs.

### ***St Macartin's Mothers' Union Meetings***

The Dean opened the February meeting with a reading and prayer. Stephanie Hamilton, in the absence of branch leader Jenifer, introduced The Diocesan President Mrs Heather Ellis as the Guest Speaker. The title of Heather's talk was "Hearts and Flowers" She told us about growing up in Armagh, the twists and turns her life took, eventually married to the Bishop and living in The See House in Fivemiletown. Everyone got a daffodil and a heart sweet to bring home. After supper the meeting closed with the Mothers' Union prayer. A warm welcome awaits you at our next meeting "Visitor's Night" on Monday 13th March with our very own Margaret Owens, entitled 'One more step along the way'.

## Daily Reading for Lent

Pilgrim Journeys: The Beatitudes invites you to explore the unexpected and often challenging vision Jesus sets out in this crucial part of his teachings. Each day provides you with a short reflection on a Bible reading, an invitation to pray and a suggestion of how you might respond to the Beatitudes' challenge to live as God intends, both as an individual and in community. The Pilgrim Journeys booklets are ideal daily companions for anyone seeking to grow in the Christian faith but can be used by anyone at any stage of their Christian journey.

These booklets are available for £3.00 at the back of the Cathedral or the Cathedral Office.

## Lenten Project – Mission Focus Mothers' Union Overseas Fund

One of the aims of Mothers' Union is 'to help those whose family life has met with adversity'. The Mothers' Union Relief Fund is founded upon this principle. It enables grassroots Mothers' Union mem-

bers to be a source of hope in their local communities when emergencies strike, wherever they find themselves in the world. When an emergency situation suddenly destabilises family life – either natural disaster or man-made conflict – local Mothers' Union groups can receive a grant from the Relief Fund which helps them provide support to meet the most urgent needs facing communities.

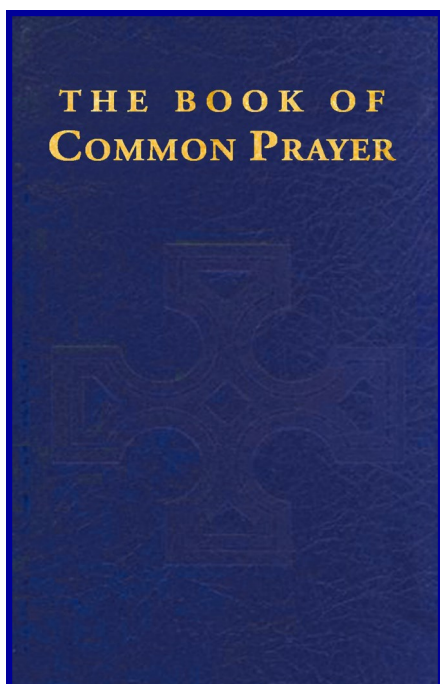

In many areas the Mothers' Union acts as the health service, the social service and as the education service. It has trained project workers in many spheres! This Lenten Season we as the Parish of Enniskillen are going to support this vital work.

**Please take a Lenten Box or a Gift Aid Envelope and return it during Holy Week.**

## Prayer Books

Do you have a Prayer book in your home? If not you should have! We are a Prayer Book church and the Prayer Book should not just be on those shelves at the back of the church for use on Sunday, but there should be a copy of a Prayer Book in every home. Everything in it is biblically based and it is a vital tool to everyday living, for daily prayer, and for nourishment and for enriching our daily walk with God. As you leaf through the Prayer Book you will find services and prayers for daily use, and for every situation and worry in life. It is a marvellous resource so use it. Copies are available from the Cathedral Office for £20.00 and would make an ideal gift!

## Quadricentennial Service

The past year was a landmark year in the history of the Parish of Enniskillen when we celebrated our quadricentennial year. The journey of life takes many twists and turns for all of us and at times we all need something of stability upon which we can rely. The parish of Enniskillen was formed in 1622 and St Macartin's Cathedral (formerly St Anne's Church) has stood for 400

years at one of the highest spots in Enniskillen and has been a spiritual beacon and home for many generations of Christians. Today, St Macartin's is still committed to providing a welcoming home to all who are seeking to deepen and develop their spiritual lives and their relationship with God.

We want to acknowledge and give thanks for these 400 years at a special thanksgiving service to mark the formation of this Parish on St Macartin's Day, Friday 24<sup>th</sup> March at 7.30pm. The Preacher will be The Most Rev F John McDowell, B A Hons, B Th, Dip B S, Archbishop of Armagh. Please make a note of this date and invite family, friends, neighbours and more especially anyone who has had previous connections with the Parish. Due to Covid restrictions at the time of our reopening (after our major renovations in 2021) we were greatly restricted in numbers able to attend. Now everyone has the opportunity to come along, give thanks and see our newly renovated magnificent building!

## Quadricentennial Cathedral Prayer

*Almighty God, you have made us members of Christ and of his Church here in this Cathedral Parish of Enniskillen. We thank you for 400 years of rich heritage handed down to us from former generations, and we pray that we can hand that on to the generations to come. May we as a congregation reach upwards to your throne in worship and adoration; inwards to one another in understanding and fellowship; and outwards to the world in evangelism and social compassion. Make this Cathedral Parish like a city set on a hill whose light cannot be hidden, so that men and women may find Christ as the light of the world, and his Church as the family of the redeemed, and eternal life as the gift of God, through Jesus Christ our Lord. Amen.*

The cup presented to Edward Derry in 1833 is still in use at the celebration of High Communion in St. Macartin's Cathedral. The inscription on the base reads: 'Edward Derry Curate since 1833'.

The book, in its 14 chapters, records the establishment and development of the Church of Ireland Parish of Enniskillen and its church, now St. Macartin's Cathedral. The church was established as part of the plan for the Plantation of Ulster by the Duke of Ormonde in 1660. The church building dates from the early 1800s and since then its clergy and people have experienced many political, social, military and economic challenges. Enniskillen was played an important role in supporting King William against the army of King James II. The conflict led to the establishment of two British Army garrisons housing the Ormonde of the town, thus killing the cathedralists. In the first many of the buildings were destroyed and many of those who remained within its historic walls were the last killing in the town's history.

In more recent times, St. Macartin's Cathedral has made a major contribution in developing community relations and has been the most important people in the town. Enniskillen and in Ireland's story of working, maintenance and bank group today. St. Macartin's is committed to providing a welcoming home to all who are seeking to deepen and develop their spiritual lives and their relationship with God.

## The Church of Ireland

### Our Worship

**Worship is central to the life of the Church. We have a rich variety of forms of worship through which we hear the Word of God read and preached and we receive the sacraments.**

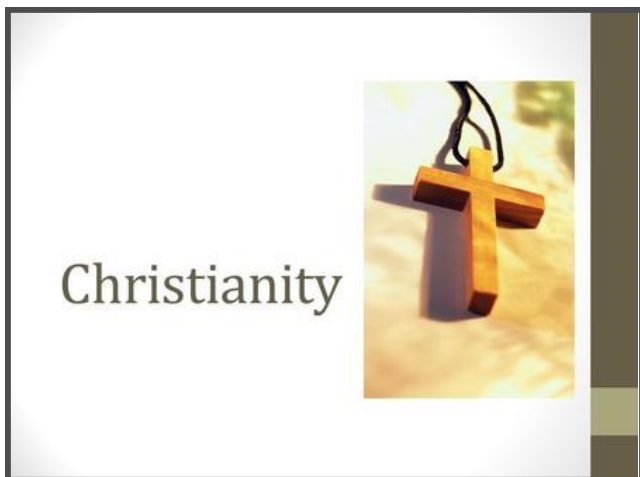

The Church of Ireland in its corporate worship makes use of *The Book of Common Prayer*, which was originally published in 1549 and has subsequently been revised on four occasions, most recently in 2004. Our most common forms of worship are the Holy Communion (or Eucharist) and Morning Prayer and Evening Prayer.

**Holy Communion** is the central act of worship of the Church of Ireland. We warmly invite all communicant members of Christian churches to join us at the Lord's Table.

**Morning Prayer and Evening Prayer** date back to the Reformation when the medieval monastic daily prayer routine was adapted by Archbishop Thomas Cranmer and subsequently adopted by the Church of Ireland.

### What we believe

We are disciples of Jesus Christ, worshippers of God the Holy Trinity (Father, Son and Holy Spirit) and subscribers to the Creeds of the early Church.

In keeping with Anglican theology, our beliefs and practices derive from **Scripture, reason and tradition.**

We are **Catholic** in holding all the Christian faith in its fullness and being part of the one worldwide Church of God.

We are **Reformed** in believing that the Church's life should be aligned with Scrip-

ture and that the Church should only require its members to believe those doctrines to which Scripture bears witness.

We are disciples of Jesus Christ, worshippers of God the Holy Trinity and subscribers to the Creeds of the early Church.

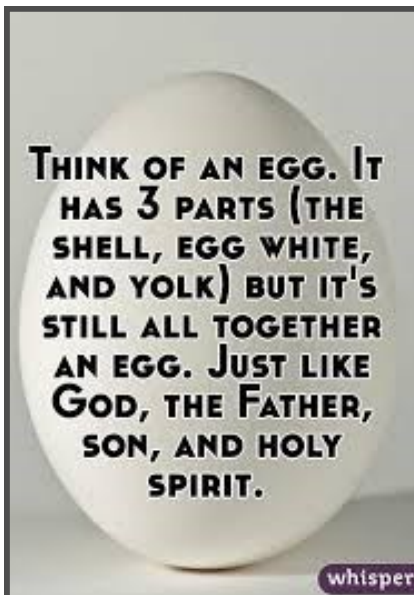

The Church of Ireland is a member Church of the **Anglican Communion**, a family of independent Churches in full communion with each other and with the See of Canterbury.

## The Church of Ireland

We rejoice in the progress on **unity** made by the ecumenical movement and we seek to remove obstacles to full communion between Christians and to gain from the insight and experience of others. We provide a context in which people of diverse views on theology and liturgy can live and worship together.

We regard **worship** as a priority for every Christian. In particular, we see the Holy Communion (the Eucharist) as the

main way in which church members celebrate their love for God and for each other and become renewed as the Body of Christ for mission and service.

**and deacons.**

The ordained ministry serves the whole people of God, to facilitate and encourage its members in their worship, and to enable each of

We regard worship as a priority for every Christian. The Book of Common Prayer is a source of unity within the Church and an expression of a liturgical language, traditional and modern, which over the years has captivated people by its beauty and spiritual power. We see a direct relationship between the language of common prayer and the language of doctrine: the words that church members themselves pray and own become the expression of what the Church itself believes. We affirm the ancient three-fold ministry of **bishops, priests**

## Tuesday Club

Tuesday Club met on 31st January, Mrs Olive Brownsmith, guest speaker, greeted the group with lively Jamaican hymn music. Assisted by the Rev Colin, with film, Mrs Brownsmith shared the culture of her homeland, Jamaica and served a delicious Jamaican dish which was thoroughly enjoyed by all. The meeting closed with 'The Grace'.

The next meeting is on 28th February at 2 pm in the Hilliard Room when the topic is 'Scams Prevention'. On 28th March Mrs June Mcilfattrick will speak about flower arranging & bulb planting. New members are always welcome.

## The Knitwit's Sock Tree

The Knitwits meet on Saturday afternoons in the Cathedral Hall to share and enjoy a love of knitting, crochet and other fibre arts.

In 2022, the Knitwits were asked to participate in 'Knitting the Land' – a cross border, creative, project that brings together women from different communities and traditions along

the Leitrim- Fermanagh border to knit/crochet items representing places that are special to them.

The Knitwits came about because of a desire to make socks. The name 'Macartin' is thought to mean 'son of the Rowan tree'. St Macartin's Cathedral has become the Knitwits' home. The Knitwits have therefore created a 'Sock Tree' made from hand knitted and crocheted socks and are pleased to place this in St Macartin's Cathedral as part of the 400 year anniversary celebrations. The socks will be on display to the public and later donated to local charities for practical use. Nothing keeps the feet warm like a pair of hand knitted (or crocheted) socks.

A prayer for makers:

Creator God, thank you for the gifts you have given me, the skill to make with my hands and the fellowship that sharing and giving bring. Help me each day to remember your great love for me and to show it to others in all that I do. Amen.

### Sunday Lights and Café

Sunday Lights is open to anyone in P1-4, and Sunday Café welcomes children in P5-Year 8. We use interactive and creative forms of learning to help the children learn about the Christian faith (telling Bible stories, songs, discussion, games, and crafts). We are grateful to the leaders who make Sunday Lights and Café not only possible, but so enjoyable for our children! The children leave during the 11.00am service after the singing of a family hymn for their own activities. They attend and take part in monthly Family Services. Each Sunday parents or guardians attend church with their children at 11.00am. The children will leave church at 11.20am for approximately 30/40 minutes. A parent or guardian needs to remain in church during this time.

**The next dates for Sunday Lights and Café are as follows:**
